

Rank and Name: Professor/ Mohamed Abdelaziz Hassan Eleiwa

Birth date and place: 15/08/1958 / Sharkia, Egypt.

Home Address: Building 28, Group 118, Al-Rehab city, New Cairo, Egypt

Phone: 02-20294247 / 01224180138.

Email: Mohamed.eleiwa@yahoo.com.

Degrees Hold:

- **PhD:** **Field:** Electromagnetic Waves & Antennas.
Awarded by: University of Sheffield, U.K., May, 1992.
- **Post-doctoral, University of Mississippi, USA, 2000/2001.**
- **MSc:** **Field:** Microwave Engineering.
Awarded by: Cairo University, Cairo, Nov. 1987.
- **BSc:** Electrical and Electronic Engineering, MTC, Cairo, July 1981.

Previous occupations and Experience:

- Chief Radar Systems Engineer, Air Defense Forces, Egypt
- Chairman of Electronic Engineering Department, MTC, 1998 - 2009.
- Vice president for Educational Affairs, MTC, Cairo, 2009 – 2010.
- Chairman of Electrical Engineering Department, University of Hail, KSA, 2016 – 2021.
- EE Program Coordinator at Electrical Engineering Department, University of Hail, KSA.
- The manager of the Community Service Unit at University of Hail, KSA.
- The chairman of the international accreditation unit at the college of Engineering, university of Hail, KSA.

Post Graduate and Research Activities:

- Design and Implementation of several Technical Researches for the Egyptian Army.
- Granted more than 5 research fellowships form university of Hail, KSA.
- Supervised 10 M.Sc. and 2 Ph. D thesis's.
- About 30 international and national conferences activities (Attendance, Reviewer, Board member; ...).

Published Papers:

published about 40 papers in refereed journals and conferences.

Lectured courses: Several undergraduate and postgraduate courses in various electrical and electronic engineering topics.

Other Socio Academic Activities:

- EE Program Coordinator at Electrical Engineering Department, University of Hail, KSA.
- The manager of the Community Service Unit at University of Hail, KSA.
- The chairman of the international accreditation unit at the college of Engineering, university of Hail, KSA.
- Senior Training Consultant, Energium Academy

Current Institution:

Professor and Chairman of Electrical Engineering Department, Modern Academy for Engineering and Technology.
